Welcome and Call to Worship, words from Tom Owen-Towle

Chalice Lighting: We light this chalice to remind ourselves to treat all people kindly because they are our brothers and sisters. We light this chalice to remind ourselves to take good care of the earth because it is our home. We light this chalice to remind ourselves to live lives full of goodness and love because that is how we will become the **best** people we can be.

There are seven principles which Unitarian Universalist congregations affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.
